Betreff: Speyer and Chichester UK

Hello,

Would you please be kind enough to forward this email to the right person, perhaps the Mayor's office ?

Speyer, like Chichester, has twinning links with the cities of Ravenna and Chartres. Chichester also has friendship links with Valletta and Kursk. We are aware that there used to be a formal twinning link with Spalding UK but that is no longer the case, although strong friendship links between Speyer and Spalding remain.

Chichester City Council would like to explore with Speyer the question of a friendship link being developed between our two cities.

I am therefore writing to see what your first reaction would be to this suggestion.

With many thanks and best wishes.
